BEAGLE

ASOCIATION
Est. 1959

Dear Beagler,

Thank you for your interest in the National Beagle Association. For more than 40 years, we've been protecting our clubs by securing affordable liability insurance. We are not an insurance company but an association made up of non-profit beagle clubs like yours. Our founder, Ev Stineman, was a passionate beagler who recognized that protecting clubs from lawsuits furthered the sport. We buy our insurance as a group, therefore at a lower rate than many clubs might find on their own. Our 2009 insurance policies cover both spectators and judges during club events. If you do have a claim, National Beagle Association pays the deductible so that there is no cost to your club.

- Our spectator liability coverage is \$500,000 per occurrence/\$500,000 aggregate. Membership dues are \$330.00, which cannot be prorated. Unlike some other policies out there, there is no deductible, no limit to the number of covered events, and no limit to the number of members our clubs may have. Our judges and volunteers are also covered for up to \$5,000 in medical expenses and up to \$50,000 death and dismemberment benefit.
- For your convenience, you may request additional insured endorsements when you send in your application. The cost is \$65 per additional insured. You may also request these at any time throughout the year.

Thank you again for your interest. We look forward to welcoming your club as a new member.

Best regards,
