

## HORSEMEN'S UNITED ASSOCIATION

Dear Horse Club,

Thank you for your interest in the Horsemen's United Association. We look forward to welcoming your club as a member. Following is a membership application, benefits comparison, and events schedule. If you would like to join, simply fill out the application and events schedule and mail them to us with your dues payment. Please read the Participation Compliance Agreement section of the application carefully before signing.

- We offer two levels of membership for **2023**.
  - **Option A** includes spectator liability coverage at \$500,000 per occurrence/\$500,000 aggregate.
  - **Option B** includes \$1 million per occurrence/\$2 million aggregate coverage.
- The benefits and costs of each membership level are outlined in the enclosed Benefits Comparison Sheet. Regardless of the option you choose, there is **no deductible**, no limit to the number of covered events, and no limit to the number of members our clubs may have.
- For your convenience, you may request additional insured endorsements when you send in your application. The cost per additional insured is \$75-\$95. You may also request these at any time throughout the year.
- Make sure to have two officers sign the "participation compliance agreement" section of the application. If your officers change during the year, please notify us and we'll get a new form out to you to sign. Your privacy is important to us. It continues to be our policy not to sell or provide your club's information to any third party.

When your membership application is approved, we will **email** you a membership portfolio including a certificate of insurance. Please call our office if you have any questions..

Best regards,

Mark Schroeder  
Club Secretary
